# HYDROCHLOR™ WHIRLPOOL DEODORIZER

## AVAILABLE IN WATER DISSOLVABLE PACKETS

Our HydroChlor™ water dissolvable packets are highly effective with hydrotherapy treatments. Simply fill the whirlpool to desired level, drop in the required number of HydroChlor™ packets, agitate 2-3 minutes. It's that easy!

### HYDROCHLOR™

- Is available in pre-measured water-dissolvable packets
- Contains 100% Chloramine-T, proven to be an effective way to deodorize.

### HydroChlor™ is available in

- 20, 38, 50 or 88 gram packets, each packed in boxes of 24
- 200, 240 or 320 gram packets, each packed in boxes of 12
- Bulk powder form in 1 lb or 5 lb plastic bottles
