# MGI SpecBuilder™

Configure products and create specs **with ease.**

MGI SpecBuilder™

Morris Group International is proud to announce the release of **SpecBuilder™**, an innovative and advanced technical tool specifically designed for architects, engineers and designers, available for use with the following MGI divisions:

- Acorn Engineering Company
- Acorn Controls
- Acorn Safety
- Chronomite
- Elmdor Stoneman
- Murdock Manufacturing
- Neo-Metro
- Whitehall Manufacturing

With SpecBuilder, configuring products and creating specs is as easy as clicking a mouse:

Get real-time specification analysis.

Save your custom specifications and configurations into personal online libraries for ease of use.

Share specifications and related documents quickly and easily.
