# POLYETHYLENE CABINET COLORS

for Patient Care Units (PCUs) - Whitehall's CareWare® units

**Whitehall Manufacturing**  
Manufacturer of Healthcare and Rehabilitation Products since 1946

## Features & Benefits

- Material is 100% waterproof and will not absorb any type of moisture, making it bacteria resistant.
- Panels will not split, rot or crack as they would with traditional wood cabinetry.
- Available for PCU cabinets only.
- Easy to clean.
- Scratch resistant surface.
- Anti-microbial panels can be requested as an additional option.
