Whitehall Ligature Resistant Stainless Steel Basin Powder Coated White ADA Compliant

Model WH3740

WH3740-WH3375-SO

Fixture May Show Some Available Options

Ligature Resistant Stainless Steel Basin

Ligature Resistant Stainless Steel Basin is engineered to combine the look and feel of commercial grade designer basins and countertops with durability and economy in mind. Each standard height Washbasin complies with ANSI, UFAS, and ADA requirements. Compliance is subject to the interpretation and requirements of the local code authority.

Countertop and Basin are constructed of 16 gauge stainless steel with exposed surfaces powder coated white. Basin includes ligature resistant side splashes, overflow, grid strainer, waste piping and 1-1/2" P-Trap. Standard unit includes Deck punching for 4" Centerset Faucet and optionally available punched for 8" Centerset Faucet; Punching consists of (3) 1-5/16" Dia Holes.

Enclosure conceals P-trap and optional valve assembly and is fabricated from 18 gauge, type 304 stainless steel, powder coated white.

Optional Ligature Resistant Faucet (WH3375-SO shown) is available. **See Individual BestCare Specification Sheets for 4" Centerset Faucet.**

Optional Mixing Valve WHST70-12 delivers tempered water flow by compensating for pressure and temperature fluctuations and is ASSE 1070 compliant. Valve is to be field set to 105° Fahrenheit and includes strainers and integral checks. Operating range is 30 to 100PSI. **Optional -SS Stainless Steel Finish** provides a #4 satin stainless steel finish to all exposed surfaces in lieu of the white powder coat.

GUIDE SPECIFICATION

Ligature Resistant stainless steel Washbasin. Unit with 34" standard rim height to conform with ANSI, UFAS and ADA Accessibility Standards. Provide integral "D" Shaped basin with an integral, rear overflow. Basin, countertop, backsplash and sidesplash to be constructed of type 304 stainless steel. Washbasin shall conform to ANSI Z124.3 and ANSI Z124.6. Trap enclosure to be constructed of 18 gauge, type 304 stainless steel and is powder coated white.
