Whitehall
Ligature Resistant Stainless Steel Basin
Powder Coated White
ADA Compliant

Model WH3740

Ligature Resistant Stainless Steel™ Basin

Ligature Resistant Stainless Steel Basin is engineered to combine the look and feel of commercial grade designer basins and countertops with durability and economy in mind. Each standard height Washbasin complies with ANSI, UFAS, and ADA requirements. Compliance is subject to the interpretation and requirements of the local code authority.

Countertop and Basin are constructed of 16 gage stainless steel with exposed surfaces powder coated white. Basin includes ligature resistant side splashes, overflow, grid strainer, waste piping and 1-1/2” P-Trap.

Optional Valve is a pneumatically operated, pushbutton Air-Control valve using atmospheric air. Pushbuttons are vandal-resistant and require less than 5 pounds of force to activate valve. Valve is metering, non-hold open type. Valve timing range is adjustable from 5-60 seconds. Valve includes a 0.5 GPM flow control. Valve and bubbler conform with lead free requirements of NSF61, Section 9, 1997 and Public Law 111-380.

Optional Mixing Valve delivers tempered water flow by compensating for pressure and temperature fluctuations and is ASSE 1070 compliant. Valve is to be field set to 105º Fahrenheit and includes strainers and integral checks. Operating range is 30 to 100PSI.

Enclosure conceals P-trap and optional valve assembly and is fabricated from 18 gage, type 304 stainless steel, powder coated white.

GUIDE SPECIFICATION

Ligature Resistant stainless steel Washbasin. Unit with 34” standard rim height to conform with ANSI, UFAS and ADA Accessibility Standards. Provide integral “D” Shaped basin with an integral, rear overflow. Basin, countertop, backsplash and sidesplash to be constructed of type 304 stainless steel. Washbasin shall conform to ANSI Z124.3 and ANSI Z124.6. Trap enclosure to be constructed of 18 gage, type 304 stainless steel and is powder coated white.

BASE MODEL NUMBER
- WH3740  Ligature Resistant Stainless Steel Washbasin

VALVE SELECTION (Must Specify)
- WH3373L  Air-Control, Single Temp, Metering Conical Sprayhead & Pushbuttons
- WH3373L-PPZ  Electronic Valve w/ Piezo Button, Single Temp
- WH3373L-WSF-SO  Air-Control, H & C, Metering w/ Conical Sprayhead & Pushbuttons
- WH3374L  Air-Control, Single Temp, Metering Conical Sprayhead
- WH3374L-PPZ  Electronic Valve w/ Piezo Buttons, H&C
- WH3375L-RE  Sensor Operated Spout, Electronic Valve, Single Temp
- WH3375L-RE-BAT  Battery Powered, Sensor Operated Spout, Electronic Valve, Single Temp
- WH3376L  Air-Control, Single Temp, Metering Conical Sprayhead w/ 0.35 GPM Flow Control & Pushbutton
- WH3376L-PPZ  Electronic Valve w/ Piezo Button, Single Temp. Conical Sprayhead w/ 0.35 GPM Flow Control & Pushbutton
- WH3377L  Air-Control, H & C, Metering Conical Sprayhead w/ 0.35 GPM Flow Control & Pushbuttons
- WH3377L-PPZ  Electronic Valve w/ Piezo Buttons, H&C Conical Sprayhead w/ 0.35 GPM Flow Control

PRODUCT OPTIONS (Must Specify)
- BAT  Battery Powered
- MXTL  Temperature-Pressure Balancing Mixing Valve (ASSE 1070 Compliant)
