Wash your hands frequently and thoroughly, using soap and water for at least 20 seconds. *

USP 800 Hazardous Drugs — Handling in Healthcare Settings: Growing evidence highlights that acute and chronic health effects can occur due to occupational exposure to over 200 hazardous drugs used commonly in healthcare settings. The goals of these standards are to help increase awareness, provide uniform guidance to reduce the risk of managing hazardous drugs, and help reduce the risk posed to patients and the healthcare workers.

AVAILABLE IN THREE SIZES:

4171 - 30" - One station

4172 - 72" - Two station

4173 - 96" - Three station
